## **DAILY ITINERARY**

**Day 1:** Our two-day holiday getaway begins with a visit to Pepi Herrmann Crystal. This master craftsman and pioneer hails from Salzburg, Austria and brought his love of the time honored glass-cutting tradition to New Hampshire over 40 years ago. You'll enjoy an enlightening demonstration and of course, time to shop the intricate pieces all approved and signed by the artist himself. We'll arrive at the Inn at Mill Falls around mid-day and have ample free time for lunch and exploring the surrounding boutique shops. Nestled on the shores of Lake Winnepesaukee, our accommodations are teeming with both historic character and modern day luxuries. Once the site of a linen mill, the grounds have been transformed into an enchanting resort – but the character, and even the waterfall that originally powered the old mill, remains today. This evening, we'll savor a delicious dinner while enjoying the historic hotel's seasonal ambiance and entertainment. **(D)**

**Day 2:** This morning, after an included breakfast, we'll depart for The Rocks Estate – a bucolic, sprawling property reminiscent of a Norman Rockwell painting. Incredible mountain views, rambling rock walls and picture-perfect historic buildings set the ultimate stage for our horse-drawn wagon ride. Delight in a cup of hot chocolate and take in the fragrant aroma of the gift shop's freshly cut wreaths, garland and other locally-made treasures. Opportunities to find distinctive presents for the holiday season truly abound on this trip! We'll depart for home with fond memories of this most wonderful time of year. **(B)**
